

Do you wish every kid could experience live theatre?

We do, too!

Hartford Children's Theatre is pleased to announce **KID SEATS**, our way of giving kids the chance to see performances by children for children.

You, your business or your foundation can have immediate impact on the lives of underserved youth in greater Hartford's most economically challenged neighborhoods.

No matter the size, your gift will underwrite the purchase of seats for children and/or families who could not normally afford to attend one or more of HCT's literacy-based MainStage offerings.

As part of our ticket package, we will also be providing each child with a book relative to the subject matter.

For many kids, this will be their first exposure to the lasting joy and benefits of attending live theatre.

INDIVIDUAL TICKET & BOOK PACKAGE

\$30 contribution

Includes one KID SEAT for one performance, plus a copy of a book relative to subject matter. Donors can contribute funds for one to 365 tickets per performance. The more you give, the more children's lives and imaginations you will touch. To participate in the program, please call HCT's Executive Director Dulcie Giadone at 860-249-7970 or email dgiadone@hartfordchildrenstheatre.org.
